

Supply Our School!

Lifetouch.

Is offering a photography discount to families in exchange for a donation to a program of our choice.

St Lambert Parish has elected to supply St Lambert School with needed items for children who might not have the funds to buy necessary school supplies. In return, you will receive \$5.00 off your portrait package, should you decide to buy additional pictures.

Simply pick an item on the list, purchase the item and bring it with you to your photography session! Thank you!
